

ICCP 2017

International Conference on Computational Photography
May 12-14, Stanford University, Stanford, CA

ICCP 2017 will take place at [Stanford University in Palo Alto, California.](http://iccp2017.stanford.edu/)
<http://iccp2017.stanford.edu/>

The field of Computational Photography seeks to create new photographic functionalities and experiences that go beyond what is possible with traditional cameras and image processing tools. The IEEE International Conference on Computational Photography is organized with the vision of fostering the community of researchers, from many different disciplines, working on computational photography.

ICCP 2017 Industry Chairs

Ren Ng

Aswin Sankaranarayanan

University of California, Berkeley

Carnegie Mellon University
